

in a different fiscal year than the funding round or competition for which the application was originally submitted.

**§ 570.426 Program income.**

(a) The provisions of § 570.504(b) apply to all program income generated by a specific grant and received prior to grant closeout.

(b) If the unit of general local government has another ongoing CDBG grant at the time of closeout, the program income will be considered to be program income of the ongoing grant. The grantee can choose which grant to credit the program income to if it has multiple open CDBG grants.

(c) If the unit of general local government has no open ongoing CDBG grant at the time of closeout, program income of the unit of general local government or its subrecipients which amounts to less than \$25,000 per year will not be considered to be program income unless needed to repay a Section 108 guaranteed loan. When more than \$25,000 of program income is generated from one or more closed out grants in a year after closeout, the entire amount of the program income is subject to the requirements of this part. This will be a subject of the closeout agreement described in § 570.509(c).

**§ 570.427 Program amendments.**

(a) *HUD approval of certain program amendments.* Grantees shall request prior HUD approval for all program amendments involving new activities or alteration of existing activities that will significantly change the scope, location, or objectives of the approved activities or beneficiaries. Approval is subject to the following:

(1) Programs or projects that include new or significantly altered activities are rated in accordance with the criteria for selection applicable at the time the original preapplication or application (whichever is applicable) was rated. The rating of the program or projects proposed which include the new or altered activities proposed by the amendment must be equal to or greater than the lowest rating received by a funded project or program during that cycle of ratings.

(2) Consideration shall be given to whether any new activity proposed can be completed promptly.

(3) If the grant was received on a non-competitive basis, the proposed amended project must be able to be completed promptly, and must meet all of the threshold requirements that were required for the original project. If the proposal is to amend the project to a type of project that was rated competitively in the fiscal year that the non-competitive project was funded, the new or altered activities proposed by the amendment must receive a rating equal to or greater than the lowest rating received by a funded project or program during that cycle of ratings.

(b) *Documentation of program amendments.* Any program amendments that do not require HUD approval must be fully documented in the grantee's records.

(c) *Citizen participation requirements.* Whenever an amendment requires HUD approval, the requirements for citizen participation in § 570.431 must be met.

**§ 570.428 Reallocated funds.**

(a) *General.* This section governs reallocated funds originally allocated for use under 24 CFR part 570, subpart F (Small Cities Program).

(b) *Assignment of funds to be reallocated.* Reallocated funds may be:

(1) Used at any time necessary for a Section 108 repayment grant under § 570.432;

(2) Added to the next Small Cities Program competition;

(3) Used to fund any application not selected for funding in the most recent Small Cities competition, because of a procedural error made by HUD; or

(4) Used to fund the most highly ranked unfunded application or applications from the most recent Small Cities Program competition.

(c) *Timing.* Funds which become available shall be used as soon as practicable.

**§ 570.429 Hawaii general and grant requirements.**

(a) *General.* This section applies to the HUD-administered Small Cities Program in the State of Hawaii.

(b) *Scope and applicability.* Except as otherwise provided in this section, the

policies and procedures outlined in subparts A, C, J, K, O of this part, and in §§ 570.420, 570.430, and 570.432, apply to the HUD-administered Small Cities Program in the State of Hawaii.

(c) *Grant amounts.* (1) For each eligible unit of general local government, a formula grant amount will be determined which bears the same ratio to the total amount available for the non-entitlement area of the State as the weighted average of the ratios between:

(i) The population of that eligible unit of general local government and the population of all eligible units of general local government in the non-entitlement areas of the State;

(ii) The extent of poverty in that eligible unit of general local government and the extent of poverty in all the eligible units of general local government in the nonentitlement areas of the State; and

(iii) The extent of housing overcrowding in that eligible unit of general local government and the extent of housing overcrowding in all the eligible units of general local government in the nonentitlement areas of the State.

(2) In determining the average of the ratios under this paragraph (c), the ratio involving the extent of poverty shall be counted twice and each of the other ratios shall be counted once.  $(0.25 + 0.50 + 0.25 = 1.00)$ .

(d) *Adjustments to grants.* Grant amounts under this section may be adjusted where an applicant's performance is judged inadequate, considering:

(1) Capacity to utilize the grant amount effectively and efficiently;

(2) Compliance with the requirements of § 570.902(a) for timely expenditure of funds beginning with grants made in FY 1996. In making this calculation, all outstanding grants will be considered. For the FY 1995 grant the requirement is substantial compliance with the applicant's schedule or schedules submitted in each previously funded application;

(3) Compliance with other program requirements based on monitoring visits and audits.

(e) *Reallocation.* (1) Any amounts that become available as a result of adjustments under paragraph (d) of this section, or any reductions under subpart O

of this part, shall be reallocated in the same fiscal year to any remaining eligible applicants on a pro rata basis.

(2) Any formula grant amounts reserved for an applicant that chooses not to submit an application shall be reallocated to any remaining eligible applicants on a pro rata basis.

(3) No amounts shall be reallocated under paragraph (e) of this section in any fiscal year to any applicant whose grant amount was adjusted under paragraph (d) of this section or reduced under subpart O of this part.

(f) *Required submissions.* In order to receive its formula grant under this subpart, the applicant must submit a consolidated plan in accordance with 24 CFR part 91. That part includes requirements for the content of the consolidated plan, for the process of developing the plan, including citizen participation provisions, for the submission date, for HUD approval, and for the amendment process.

(g) *Application approval.* HUD will approve an application if the jurisdiction's submissions have been made and approved in accordance with 24 CFR part 91 and the certifications required therein are satisfactory to the Secretary. The certifications will be satisfactory to the Secretary for this purpose unless the Secretary has determined pursuant to subpart O of this part that the grantee has not complied with the requirements of this part, has failed to carry out its consolidated plan as provided under § 570.903, or has determined that there is evidence, not directly involving the grantee's past performance under this program, that tends to challenge in a substantial manner the grantee's certification of future performance. If the Secretary makes any such determination, however, further assurances may be required to be submitted by the grantee as the Secretary may deem warranted or necessary to find the grantee's certification satisfactory.

(h) *Grant agreement.* The grant will be made by means of a grant agreement executed by both HUD and the grantee.

(i) *Conditional grant.* The Secretary may make a conditional grant in which case the obligation and use of grant funds for activities may be restricted. Conditional grants may be made where
